Usage of Learning Credits – Private Instructor-Led-Training/On-the-Job

Private Instructor-led Training

All face-to-face sessions from the Xcelerator Academy exclusively for you.

1. Open [Course Catalog](#) in Xcelerator Academy
2. Click on Find Classes for the interested course and then click on "Request a Class"
3. Our support will contact you to discuss the desired course
4. You will receive an email with the scheduled agenda and the number of learning credits due
5. You confirm that you agree with the agenda and the payment of the learning credits
6. Learning credits will be debited by us

On-the-Job

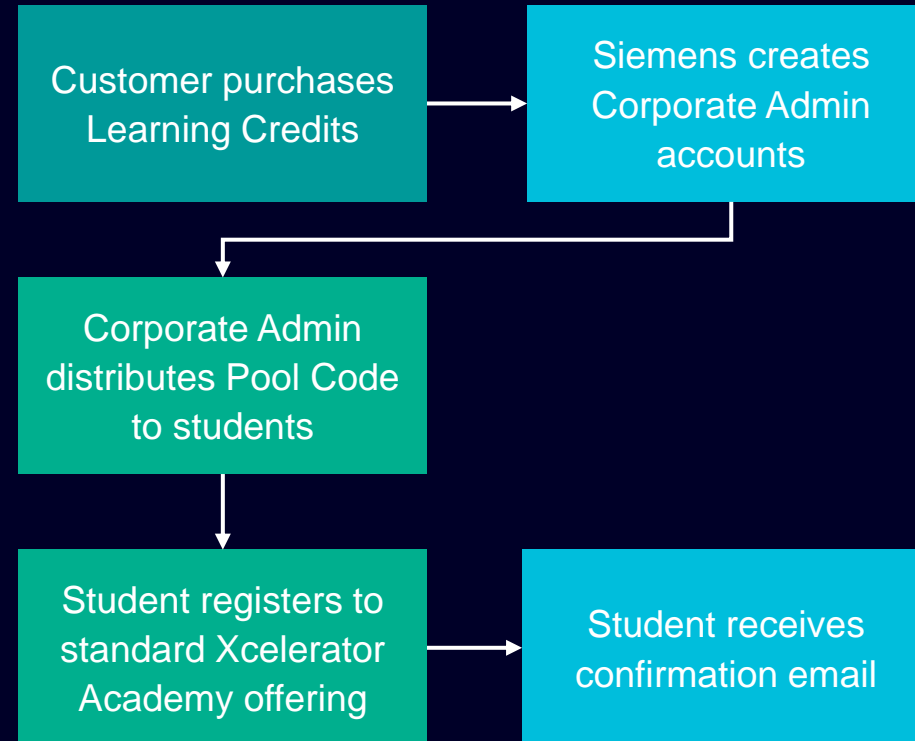

Measures adapted to your needs, such as group training, workshops and mentoring.

We are available to answer all your specific questions.

1. Send request to [support](#) or [training team](#)
2. Discuss desired action with your contact person
3. You will receive an email with the planned agenda and the number of learning credits to be earned
4. Confirm that you agree with the agenda and with the payment of the learning credits
5. Learning credits will be debited by us

Usage of Learning Credits

Student: usage of Learning Credits Instructor-Led Training I

The screenshot displays the 'Class Finder' page on the Xcelerator Academy website. At the top, there are navigation links for 'Memberships', 'On-Demand Training', 'Instructor-Led', 'Browse and Buy', 'Administration', and 'Support'. Below this, there are tabs for 'My Events', 'Class Finder', 'Course Catalog', 'Learning Tracks', and 'Locations'. A banner for 'Xcelerator Academy' includes a 'Watch the Overview Video' link. The main section is titled 'Class Finder' and contains a 'Request a Class' button. Below this, there are instructions and search filters. The filters include a funnel icon, a dropdown for '- Any -', and input fields for 'Month', 'Solution', 'Software', 'Version', 'Course Name', 'Course Code', 'Language', and 'Location'. A search button with a magnifying glass icon is present. Below the filters, there is a pagination bar showing 'Showing 1-25 of 610' and '25 per page'. The main content is a table with columns: 'Dates', 'Software', 'Course Name and Code', 'Language', 'Location', 'Availability', 'List Price', and 'Export'. Two rows are visible in the table. The first row is for 'DAF NX12 CERTIFICATION' on 'Jul 13, 2022' at 'Eindhoven (SISW) Netherlands' with a price of '€ 350,00 (EUR)'. The second row is for 'Introduction to Simcenter Battery Design Studio' on 'Jul 13-14, 2022' at 'LIVE! Online' with a price of '\$1,100.00 (USD)'. A red box highlights the 'Register' button for the first course.

Dates	Software	Course Name and Code	Language	Location	Availability	List Price	Export
Jul 13, 2022 8:30 AM-12:00 PM Central European Summer Time	NX 12.0	DAF NX12 CERTIFICATION TR-CNXCERT1	English	Eindhoven (SISW) Netherlands	6 / 8	€ 350,00 (EUR)	Register
Jul 13-14, 2022 1:00 PM-5:00 PM Eastern Daylight Time	Battery Design Studio 2020.2	Introduction to Simcenter Battery Design Studio TR09331	English	LIVE! Online	0 / 10	\$1,100.00 (USD)	Register
